You are about to create your own Foley Sound Effects scene. If you do not have any way to edit on your own computer, please follow the link below to WeVideo. Registration is free.

Click to JOIN WITH A NEW ACCOUNT (**FREE**). VMSTV has FREE access to this website for a couple of months. Once you edit your Foley on WeVideo, you're done! We will be able to download your movie from there.

WeVideo is simple to use and they have many tutorials on YouTube to help you learn how to edit video the way they do in the Pro's!

We will feature a highlight video of your final Foley scenes in the next VMSTV.

Step One: Download the [video](#).

Step Two: Create your own sound effects using your cell phone and [edit](#) them into the scene.

Step Three: Send your video to dgreen@carlsbadusd.net, or edit using the WeVideo link below.
